BUILDING SAFETY CERTIFICATE

The School building of Suddhananda Vidyalaya(15506) At-Madhapur(Gandhichhak), Po/Dist-Jagatsinghpur, having built up area of 21,163.38 sft. Spread over three floors was inspected by me on 26th Feb 2021 on request of the Vidyalaya authority. The drawing of each floor plan foundation was also examined. The building is three storied R.C.C. frame structure building having open isolated spread R.C.C. footing and was constructed in the year 2006-07 and is in quite a sound health.

To the best of my knowledge, experience and opinion it is certified that the building is fit and safe for use.

A handwritten signature in black ink, followed by the date '26/02/2021' written in a similar style.
